

THE SPOKEN WORD: AN EVENING OF SHARING

The Adult Formation Committee is planning a community pot luck on **Saturday, November 16th, after Mass**. The theme is **Gratitude for Our Abundance**. Please plan to join us and bring along a dish (entree, salad, or dessert) to share. We will have an open mic and will give LOC members a chance to share their own poetry or short prose.

**POETRY
OPEN MIC**

Do you write poetry? Or, is prose your preference? Do you keep a spiritual or personal writing journal? Is writing the way you best express yourself? Would you like to share your writings with LOC members? We would love to witness this creative part of the community. **Please contact Helen Majzler if you would like to be included on the program that night.**

PASTOR KATE'S INSTALLATION

The Installation for Bethlehem Lutheran's new Pastor, Katie Chullino, is happening the first weekend in November. Let us keep Pastor Katie, her husband Chili, and our host community in our prayers as they move into this next chapter together. May they be delighted to learn the new ways that they are blessed to be a blessing. Sometime after the new year we will invite Pastor Katie to join us at Mass and to share some of her story with us.

DEAR FRIENDS AT LIGHT OF CHRIST...

Just a note to say thank you for the card with the many notes that you sent to my last Sunday celebration at Bethlehem. It's been a real joy to have worked with you folks and Father Teri these last months. In this time when our nation is filled with so much division, suspicion and hatred, it is wonderful to see two groups of Christians come together and cooperate so fully and to such great effect. The spirit of love and acceptance and genuine caring that I have witnessed during my time at Bethlehem has been inspiring and uplifting beyond measure.

It is my prayer that your example will multiply and bear fruit for the larger church and for the mission and ministry of the Christ we serve.

Thanks again,

Pastor Keith

CATHOLICS AND LUTHERANS...BE PART OF HISTORY

Our local ECC communities, and the local Lutheran ELCA Synod are forming a partnership. History is being made, and Colorado is leading the way!

Our Bishop Francis Krebs and the ELCA local Bishop Jim Gonia will be joining together in worship and signing a document to more formalize this partnership. **Everyone is invited to be part of this worship service on Wednesday, Oct 30 at 7:00pm in Denver at St. Paul (ECC) Church.** Fr. Teri has a copy of the document that is going to be signed which brings us together liturgically in a new way. This document does not bring us into full communion together, but it puts into words and understanding some of the liturgy sharing that has already been happening here in our building, and other locations in Colorado where ECC

communities are nested within ELCA Lutheran communities. Light of Christ and Bethlehem Lutheran have been part of the discussions and prayer leading up to this moment, and have been influential in the document that was created. By signing this document, our bishops are celebrating the collaboration that is already happening in communities like Light of Christ and Bethlehem Lutheran, and acknowledging the Holy Spirit's guidance in bringing Catholics and Lutherans together at God's Table. **St. Paul is located at 1600 Grant Street in Denver. If you have any questions, please see Fr. Teri or Jack Wolfe.**

For those of you who would like to carpool together to St. Paul's, we are asking you to be here at LOC by 5:45pm on October 30th in order to be down at St. Paul's by 7:00pm. Please call the Church Office with any questions.
