## Here's what's happening at LOC

- **Join Fr. Teri and Pastor Katie, and BL intern Joy, for Wednesday Midweek Prayer in Lent.** Each week they will build on the theme “Look what God can do with Dirt/Dust”. This week Fr. Teri is reflecting on stardust on Wednesday, March 9th at 7PM. [link](#).
- **Friday Flicks** ~ Join us on Friday, March 5 at 7PM for our monthly movie. “Safety” features a true story of a Clemson University freshman named Ray Ray McElrathbey who sneakily took care of his 11-year-old brother Fahmarr on campus back in 2006, while also trying to juggle his studies in psychology, and the growing pressure of playing football on scholarship. A great story of family taking care of family. Contact the church office for further information.
- **Join Us!** A group of youth and adults as we discuss NY Times bestselling author, Nic Stone’s [A Clean Getaway](#), a timely middle-grade road trip story through landmarks of the Civil Rights movement and the way they help us see contemporary race relations. We journey with Scoob, a Black middle school boy and his White grandmother and learn how they deal with coming to grips with the pain of the past and facing the humanity of our hero's. You are invited to read the book and then join the intergenerational Zoom meeting on March 14, from 4-5 pm. If you have questions contact Mary Franch or Heather Brubaker. Contact the church office for further information.
- **Bishop Update!** The opportunity to elect our Bishop for the Rocky Mountain Region is fast approaching. It is necessary that we have an accurate community list in order for everyone to vote. If you are 10 yrs. and older, you are eligible to vote. You must OPT IN in order to vote (even if we have your information currently). Please submit the following to [locvote@gmail.com](mailto:locvote@gmail.com)
  - ◇ The name of each person of your household who will vote
  - ◇ Current Street address
  - ◇ Phone number
  - ◇ Email addresses
- **Changes in the ECC Film Series:** The Truth and Reconciliation Film Series on race, because of technical difficulties, has changed to a discussion format only. It will be the task of each participant to view the recommended films on their own prior to the discussion. The next online session is Wednesday, March 10, 6:00-8:00 PM. If you're interested in attending and have not previously registered, please register your name and email ASAP at <https://bit.ly/3oA8IV5>. This will ensure that you receive a Zoom link invitation shortly before the 10th. Two films will be discussed that evening: ***I Am Not Your Negro*** and ***Tell Them We Are Rising***. While the event is scheduled for two hours, it is considered an Open House where you can come and go as your time permits. Where might you find the recommended films? ***I Am Not Your Negro*** is available on Netflix and Amazon Prime. ***Tell Them We Are Rising*** is available on YouTube or on DVD at your local library.
