Irene Yap (information in the directory) by this Sunday 3/30

Building Update

If you have a key and/or have need of one in the future, **please email the church office ASAP.**

The BLC/LoC Security Team is finalizing plans for the new access system to the church building. These will go into effect at the beginning of April and by Easter, the current keys should not work.

Those who need entry into the building outside of services or offices hours will have a key code for the main door and/or a key for doors with locks. Parish Council is currently working through the details but, generally, everyone who receives a key/key code will need to apply, have a background check, and be approved before receiving a key. This means that getting a key will take multiple days.
