Building Update

The new security system and keys is currently being installed. If you currently have a key to the building, it no longer works. Please return all of the old keys to the Church Office.

Those who need entry into the building outside of services or offices hours will have a key code for the main door and/or a key for doors with locks. Everyone who receives a key/key code will need to apply, be approved by Parish Council and have a background check on file before receiving a key. This means that getting a key will take multiple days.
